

Kuwadro means portrait, a word associated with artworks. It is borrowed from the Spanish word *cuadro*. Kuwadro Bed & Breakfast is the initiative of Johnny and Goran. Their concept is to combine a B&B and art gallery where Goran can showcase his artworks.

Kuwadro B&B Amsterdam boasts the best locations in town. Kuwadro B&B Amsterdam Centrum is a short walk from Central Station and a stone's throw away from Dam Square. Kuwadro B&B Amsterdam Jordaan is located at the edge of the fashionable Jordaan neighborhood, an authentic Amsterdam district. The Haarlemmerdijk, in which Kuwadro B&B Amsterdam Jordaan is located, is voted as the best shopping street of Amsterdam.
